LONGING

All the air is filled with fragrance,
Fragrance of the roses sweet,
And my heart is filled with longing,
Longing for my love to greet;
Longing for thy gentle whisper,
With thee ever to abide;
All my heart is filled with longing,
Longing to be near thy side.

Longing for thy soft caresses
And thy head upon my breast;
For thy silken flowing tresses
And thy hand so fondly pressed;
Longing for thy gentle whisper,
With thee ever to abide;
All my heart is filled with longing,
Longing to be near thy side.
